## YOUR PRESIDENT'S MESSAGE

### DON SWAIN

January is almost over. Hopefully it will start to warm up soon. January is the month we submit and vote on medal designs for 2006. Bring your designs for submittal. Also this month we are going to have a "Finds Of The Year 2006." Everyone, please bring your best finds and come tell us about them.

The Winter coin Show is February 2 & 3. See flyer on back page for details.

I hope everyone had a great holiday season. A lot of great things are coming this year for coin collectors. Plus the Utah quarter comes in late fall. You can order the quarters in proof January 23, 2007.

It is also time to pay your dues for the year. Please bring them to meeting or mail them. Remember we will resume "Find of the Month" in March if it warms up. Look forward to seeing everyone.

## PROPOSED CHANGES TO BY-LAWS

### NATIONAL UTAH TOKEN SOCIETY (N.U.T.S.) BY-LAWS

This proposed amendment is for the purpose of coinciding with the renewal of the Utah State Incorporation registration in September and to clarify the wording in item 2.

#### CURRENTLY READS:

##### Article V – Elections

1. In October of each year the vice-president will personally inquire of individual members to find people willing and qualified to serve as officers. At the November meeting, the vice-president will nominate as many as 2 people for each office, and further nominations will be open to members from the floor.
2. Voting will be done by secret ballot, separately for each office, in which case the vote may be done by acclamation.
3. Installation of new officers will be at the regular December or January meeting. The new officers will begin serving as soon as they are installed.

#### PROPOSED AMENDMENT TO:

##### Article V – Elections

1. In June of each year the vice-president will personally seek individual members that are willing and qualified to serve as officers. At the July meeting, the vice-president will nominate as many as two people for each office, and further nominations will be open to members from the floor.
2. Voting will be done by secret ballot, separately for each office. If there is only one candidate nominated for each office the vote will be done by acclamation.
3. Installation of new officers will be at the regular August or September meeting. The new officers will begin serving as soon as they are sworn in.

## TOPLIFF, TOOELE COUNTY (mining class 3 town)

NAME: Topliff

COUNTY: Tooele

ROADS: 2WD

Grid #: 5

CLIMATE: Cool winter with possible snow, warm summer.

BEST TIME TO VISIT: Fall and Spring. COMMENTS: A true ghost. To get there take 73 west from Lehi. Turn south at the Tooele county line on the pave railroad route. It is about 5 mi south. Topliff was mining a trainload of limestone a day during its life. Recent forest fires in the area make access difficult. UPDATE: 25 July 2001 The old abandoned quarry at Topliff, Utah is active again. Each day several truckloads of limestone rock is being hauled up to Park City for construction purposes. Ultimately the owner of the land expects to build a cement plant and to continue to mine the major part of the limestone deposits in the area. Because of this activity and blasting in the area of the quarry it is closed to entry. Ed Topliff Orem, UT REMAINS: Foundation blocks, bricks and nails.

The town was built about 1875 around mining of Lime Rock which was used by area smelters. The town dies in 1937. No one lives here. It began as a joint venture between the local smelters to find a source of limestone. After the rock was found, a rail line was run down to haul out the crusted limestone, a trainload/day. When the quarry was shut down in 1937 all of the homes and rail lines were torn up and hauled up north to Fairfield.
